Want to own a part of Baton Rouge History in a secluded Hideaway? World Renowned eccentric Sculptor's finest and most challenging "Work of Art" is on the market! This Birding Paradise and Wildlife Sanctuary is all about the views. There are views from every room in the home bringing the outside inside. The artist shaped and molded nature's strongest materials to create an unbelievable Masterpiece. Set on a charming hillside, the home is situated to take advantage of the beauty and surrounding nature. There are three separate homes (Main Home, Art/Sculptor Studio, Palmetto House) strategically situated on the almost 9- acre tract of land. The homes are custom built with inspiration and purpose. The materials and workmanship are like none other, along with this unique setting. See the Unique Features page for more information and details. This is truly a "Labor of Love"! Check out this gorgeous virtual tour of this property!!
