A lovely location with a brand new mobile home! The combination of a raised pad, proximity to Bayside Marina and Campground, locally owned eateries, sausage makers, bars, a Farm and Home Supply store, and even a nearby Green House Bed and Breakfast makes for a diverse and potentially enjoyable living environment. Being situated on .71 of an acre also provides you with a decent amount of space. Living in a location with access to a marina and campground can offer recreational opportunities, such as boating, fishing, and outdoor activities. The presence of locally owned eateries, sausage makers, and bars can provide a unique culinary experience and a chance to explore local flavors. The nearby Farm and Home Supply store could be convenient for your everyday needs, and the presence of a Green House Bed and Breakfast suggests a potential option for visitors or guests. If you have any specific questions or if there's anything else you'd like to know about your new location or anything related, feel free to ask!
