This exquisite plot of land is situated within the top-ranked Zachary School District in Louisiana. The site has been meticulously cleared and is primed for the construction of your ideal residence, affording a picturesque vista of a 4+ acre pond. The property is fully enclosed by a fence and features an electric gate at the entrance. While offering the convenience of urban living, it also provides ample seclusion to observe the local deer and wildlife. Additionally, 3+ acres of the property adjacent to the roadway is zoned for commercial use on the highly sought-after Hwy 19, should you opt to pursue such an endeavor.
