An exquisite estate located right in the heart of Central! This spectacular, one-of-a-kind, plantation style home sits on 34 +/- acres with the option to purchase the property in its entirety or the home with 5 acres only. The property features two barns, one measures roughly 24x22 and the other 30x22. In the back yard you will find a water shed that pumps to the ponds making maintenance a breeze. Inside this custom-built home, you will be accompanied by 7 spacious bedrooms and 5 bathrooms. The home features gorgeous wood floors, neutral paint colors, and beautiful archways throughout. Entering the master suite you will find a spacious seating room off the side that can easily be converted to an office or nursery. This room also comes with its own closet. Outside you will be stunned by the large in ground pool, patio, and pergola. This home is an entertainers dream and will be an amazing place for you and your family. Although leaving will be hard to do, on your drive out down the long driveway be awed by the abundance of gorgeous trees that fill the property. They are sure to make you excited to come back home!
