Great 4 bedroom home in the heart of Denham Springs sitting on .46 of an acre!! Walking distance to schools! The inside of this home offers a large living room and den, with the kitchen conveniently located in the middle! A great space for entertaining! The master bedroom is oversized and has its own private bath with a large shower. One of the additional bedrooms is located directly off of the master bedroom and would make a great nursery, office or hobby room! The other two bedrooms are spacious and offer a nice amount of closet space as well! As you make your way out the backdoor you will see the large covered deck that over looks the HUGE backyard!! There is also a whole home generator!! This home offers tons of charm! Don't miss out on this one!
