This enchanting Acadian style home offers two bedrooms, one and a half bathrooms, additional loft space and a detached two-car garage with a second story apartment. When you approach its front steps, you'll be delightfully greeted by a timeless, cottage-like appeal. Damaged by Hurricane Ida, a full renovation is needed. However, take note of the undeniable character waiting to be restored! The maintained original hardwood flooring and exterior of this home only amplify its potential for what can become of this dreamy retreat.
