What an amazing opportunity so close to downtown! This property can be the perfect investment or personal property with many different possibilities. It is currently being used as a thriving salon and retail space but could be easily changed into a residential family home. It would also be a perfect location for an AirBnB close to downtown or legal office. There is also a massive lot for sale next door and the entire space could be converted into multiple multi-family or commercial properties. Dream big and make this beautiful space your own!
