**\$295,000**

**3 Bedrooms | 2 Bathrooms | 1,932 Sqft**

Fabulous Renovations!! Beautiful warm paint tones chosen by the sellers professional interior designer. This 3 Bedroom, 2 Full bath home will not disappoint. You will fall in love with the colors in the quartz countertops and oversized island for plenty of counterspace and barstools. The GOLD pulls and cabinet handles POP throughout the kitchen and bath areas. All new flooring throughout to last many years to come--no carpet in this home. The light which flows from the front and back windows are spectacular. From the kitchen window you are able to see the entire backyard. Speaking of backyard--there is plenty of room for a storage building, a children's playset and family gatherings under the 26 x 13 covered patio. The interior and exterior HVAC are all NEW!! There is just too much to mention....schedule your showing today before its too late!!
