5 Bedrooms | 4 Bathrooms | 4,238 Sqft

This stunning custom home by Truax Construction is a true gem, nestled on a serene one-way in, one-way out street with just nine homes. With 4 bedrooms and 4.5 baths, it features a convenient mother-in-law suite complete with a kitchenette. The formal dining room and a home office adorned with a coffered ceiling add elegance and functionality to the space. Spanning 4,238 sqft, the high ceilings throughout enhance the sense of openness and light. The living room offers a perfect view of the outdoor oasis, where you can enjoy a tranquil atmosphere around a beautiful pool with four fountains and a well-equipped cooking station. Privacy and security are paramount, provided by an 8-foot brick wall fence that surrounds the property, creating a secluded retreat perfect for relaxation and entertaining.
