Do not miss out on this centrally located commercial property. This property has been completely remodeled and was most recently used as a mini event center that hosted food tastings, small celebration events, dinners, and much more! This amazing property features an open floor plan, neutral color scheme, and beautiful ceramic tile thru out. This location would make the perfect office, retail, or health related service location as the adjacent tenant is a successful smoothie business. Additional \$50 fee per month for water and lawn care. Tenants pay all utilities and liability insurance.
