**\$919,900**

**4 Bedrooms | 3 Bathrooms | 2,996 Sqft**

Custom built by Distinctive Home, this is a **PROPOSED CONSTRUCTION** of the popular Grandview plan. Pricing and finishes are subject to change. The front porch, accented with brick steps and a brick border, greets you as you approach this home. Once inside, you will notice the soaring ceiling in the foyer and the spacious living and dining area. The kitchen will delight the culinary enthusiast with a gas range, solid surface countertops, and loads of storage. The spacious primary suite and bath provide privacy located to the rear of the home. The master closet is a dream with plenty of room for all your personal items. Located on one of the largest rear-load lots in The Lake this home will provide space for a small cocktail pool if you desire.
