You're going to love this gorgeous home with tons of recent upgrades that is listed well BELOW APPRAISAL VAULE! Walking into the foyer, you will immediately notice the soaring ceilings, natural light, open floor plan, and stunning finishes. The living room features built-in shelving, a gorgeous gas fireplace, wood flooring, and a wall of windows looking out to the backyard. The kitchen is a showstopper - boasting stone countertops, large center island, high end Jennair 6 burner range with a griddle and double oven, a beverage cooler, new ice maker, a commercial sized refrigerator, a walk-in pantry, and more! The master suite boasts double tray ceiling, wood floors, and a lovely gas fireplace. The master bathroom has double vanities, an oversized jetted bathtub with an electric wall fireplace, a large walk-in shower complete with multiple shower heads and a bench, as well as a walk-in closet. The first floor features 3 additional bedrooms, another 1.5 bathrooms, a built-in office area, and a large laundry/utility room. The bonus space upstairs features a kitchenette and full bath. The owners recently finished out the attic, adding a huge bedroom, walk-in closet, and another full en suite bathroom! The exterior of this home is a rare find in Baton Rouge. The home sits on a half acre lot in an exclusive one street neighborhood. The 3 car garage,
