5 Bedrooms | 3 Bathrooms | 2,975 Sqft

This exquisite 5-bedroom, 3-bathroom home with 3 car garage. Packed with high-end amenities and thoughtful details. Nestled in the sought-after Collins Place subdivision, this property offers elegance, comfort, and convenience all in one. As you enter, you will fall in love with the brick archway that beautifully separates the foyer, dining room, and family room, creating a grand first impression. Expansive windows along the back of the home flood the space with natural light, highlighting the gorgeous stained floors. Showstopper kitchen, featuring antique white cabinetry, a travertine backsplash, a large farmhouse sink, stainless steel appliances, and a tray ceiling in the breakfast area. Crown molding runs throughout the home, adding an extra touch of sophistication. The dining room boasts a built-in wine rack, while the family room features built-in shelving and a cozy gas log fireplace. Perfect for entertaining, the home includes dual surround sound in both the family room and patio area, along with a gas line installed on the patio for outdoor cooking. The primary suite is a true retreat, offering a spacious en-suite bathroom with a separate shower, jetted tub, and three vanities, including one designed for a makeup and hair station. The extra-large walk-in closet provides ample storage. The extras in this home are endless. No flood insurance required!
