One of Baton Rouge's best kept secrets is Jefferson Place condos tucked off of Jefferson; so you already know the location is top notch. This condo is freshly renovated and ready for its new owner. Beautiful low maintenance vinyl flooring in the living and dining that compliment well all of the natural light coming in from all the windows. A cozy fireplace is perfect since it apparently snows in Baton Rouge now. Your kitchen is completely updated with new cabinets, quartz counters, and brand new stainless appliances. Off the kitchen is a cozy screened in patio for those early morning coffees or late night cocktails. Both of your bedrooms are down the hall and have newly installed carpet. Your primary bedroom has an updated bath as well as a walk in closet. Your additional bedroom is spacious with ample storage as well. Come take a look and live near some of the best shopping, dining, and groceries the city has to offer!
