**4 Bedrooms | 3 Bathrooms | 3,363 Sqft**

Beautiful home in the South Baton Rouge area! This home has been completely renovated! You will enjoy the large open floor plan with a ton of space for entertaining guests. 4 spacious bedrooms and 3 full baths with a second living room/game room upstairs. Freshly painted inside and outside. All new exterior siding. Gorgeous ceramic flooring installed throughout the bottom floor of the home. Boxed ceiling in the livingroom for an elevated feel, luxurious with a built in electric fireplace suited for convenience and looks. Shelves on either side of the living room for all your books, pictures and decor. Kitchen features granite countertops, along with a wall mount oven, wall mount microwave, and an electric cooktop with ample counter space and storage. Near a nice sized bedroom is a full bath with a standup shower and separate vanity area. The master bedroom is a large room with two large walk in closets and en suite bathroom that will blow you away. Spacious laundry room with ample space, as well as beautiful all wood shelving. You will find a beautiful partially stained staircase leading to another living/recreation space and a kitchenette! This area could service as a mother in law suite/gameroom/etc. Upstairs there are two more large bedrooms and a beautiful full bathroom. There is also a two car covered park, a covered porch, and a deck coming
