Welcome to Ridgecrest Estate A 58-acre sanctuary located within the town limits of historic St. Francisville. This timeless property greets you with an elegant iron gate, framed by brick columns & gas lanterns. The driveway meanders gracefully through majestic live oak trees. Step inside this stately home, where classic design meets modern comforts. Spanning over 5,300 square feet of living space, this residence boasts 5 spacious bedrooms and 5 full & 1 half baths. The interior features stunning blueish-gray slate flooring and some of the finest reclaimed antique beams, offering a unique blend of character and sophistication. As you explore the outdoors, you'll find a large sparkling pool, alongside an outdoor kitchen that is ideal for hosting cook-outs. The patio fireplace is perfect for entertaining on cool evenings. Ridgecrest Estate is not just a home; it's a lifestyle. Enjoy the convenience of being just a short golf cart ride away from the delightful happenings of St. Francisville, where quaint shops and vibrant community events await. In addition to the main residence, this estate includes a charming 2,200-square-foot guesthouse with 2 bedrooms and 2 baths, nestled just down the hill from the main house. Both homes are tucked away among the live oak trees, providing tranquil privacy. These homes are well-built and have been
