Welcome to one of the most iconic homes on Grand Isle. This exquisite property is situated on 5 lots, perfect for entertaining and offers a blend of elegance and comfort across its expansive layout. The kitchen has 3cm granite countertops, an island with a 6-burner cooktop, a double oven flanked by brick, and a breakfast area with a built-in desk. The formal dining space unfolds via French doors into the majestic living room with wood burning fireplace and separate bar area that accommodates a large group. Hardwood pine floors are in the dining, living and hallways. The spacious master bedroom includes an air-conditioned sunroom that opens onto a deck, providing a serene retreat. The master bath features an oversized shower, dual sinks, and a large soaking tub. Laundry room has ample cabinets, a wash sink, space for a freezer, and an actual passenger elevator. Downstairs you have another large bedroom and full bath which leads out to the Epoxy-sealed concrete floors, a workshop, and a versatile common area. This home was built with 12x12 steel beams, has 60 KW Generac generator, triple crown molding throughout, plantation shutters on most interior windows and hurricane shutters on select exterior windows. New Roof installed in 2022 Don't miss this opportunity to own a piece of Grand Isle's history. Schedule a viewing today to experience
