This stunning, modern 3/2 + office home seamlessly blends classic charm with contemporary elegance. A welcoming covered front porch invites you inside, where you'll find beadboard ceilings adding character and warmth throughout the main living areas. The open concept design is highlighted by exposed wooden beams and elegant brick archways, creating a timeless yet stylish atmosphere. The spacious kitchen is a chef's dream, featuring stainless steel appliances, quartz countertops, separate island, wall oven and ample cabinet space for storage. Durable and stylish LVP flooring and tile run throughout the home no carpet anywhere offering both beauty and easy maintenance. The primary suite is a relaxing retreat with a spa-like ensuite bath, while two additional bedrooms provide plenty of space for family or guests. A thoughtfully designed second bathroom completes the layout. The backyard is one of the largest in the area! AND don't forget about the community pool for those hot evenings. With a perfect balance of modern finishes and classic architectural details, this home offers both comfort and sophistication. Call now for your private showing!
