The Maybrook model was built as Tyler Watson's model home in 2019. From the foyer, the house opens to a spacious living & dining. Large front windows in the living room flood this area with natural light. The central kitchen overlooks the main living space with a large island and all the conveniences of modern living. To the rear of the home, you will find three bedrooms. The primary suite is perfect for relaxing the two guest bedrooms and guest bath offer extra space for guests or family members. The current owner converted the sizeable outdoor space into a heated and cooled sunroom for additional space. The home has been set up for a whole home generator. There is no generator included. No showings until Saturday, April 5th.
