Outstanding, well-maintained home featuring a Bonus Room and outdoor storage building will put this one on the TOP of your List! Granite counter tops, a deep pantry, and large breakfast bar create an inviting kitchen space. The natural light and openness of the spacious living area, coupled with the dining area that provides a relaxing view of the large back yard are added features that create a cozy sense of being at home. The enclosed garage resulted in an amazing front entry 20 x 14 Bonus room complete with can lights, crown molding, and laminate flooring. A separate shower, garden tub, and double vanities grace the primary bathroom. Ceramic tile and laminate flooring throughout; no carpet. The full bath off the hallway has the unique feature of a doorway access to the closet of the adjacent bedroom. The depth of the laundry room provides added space for organized and easily accessible storage. The fenced back yard provides plenty of space for children's safe play area, for pets to romp around or for a green-thumb gardener's field of dreams!
