4 Bedrooms | 3 Bathrooms | 4,850 Sqft

Located in the exclusive gated community of St. Andrews, just across the East Baton Rouge Parish line, this stunning 4-bedroom, 3.5-bath estate blends timeless elegance with modern convenience. Designed by renowned architect A. Hays Town and inspired by 1840s vintage architecture with Caribbean influences, the property has been featured in The Louisiana Homes of A. Hays Town and The Architectural Style of A. Hays Town and is listed with the Louisiana Historical Homes Foundation. Built in 1980, the main house sits on two picturesque acres with 250-year-old live oaks draped in moss, offering over 5,000 square feet of living space. Features include 200-year-old heart pine floors, soft red brick sourced from a New Orleans convent dating back to 1840, a grand foyer, cypress ceilings, large beams, and a handcrafted cypress mantle framing the wood-burning fireplace. French doors and large windows flood the living areas with natural light and open to a covered porch, brick patio, hot tub, and pool. The kitchen and breakfast area maintain the home's historic charm with a plank wood ceiling, and exposed beams and an additional wood-burning fireplace adds warmth to the space. The primary suite features its own fireplace, an office with exterior access, and a spacious walk-in closet. Upstairs are three more bedrooms and two full baths,
