3 Bedrooms | 2 Bathrooms | 3,414 Sqft

Stunning open concept home located in the desirable Plantation Estates subdivision. The owner has invested in many upgrades including new SOLAR PANELS. This home features 3 bedrooms plus a Loft room perfect for your teen or guests with a walk-in closet & roof top balcony, 2 full baths and 2 half baths. The home sits on a massive 0.72 acre lot with a welcoming front porch that overlooks the front yard. You are greeted by a spacious open floor plan that features ceramic wood-look tile throughout. The living room offers a cozy fireplace and wet bar with granite countertops and built-in wine cooler. The living area and dining room are separated by a massive center piece island with an abundance of bar seating. This Beautiful Kitchen is equipped with granite countertops, stainless appliances, gas cooktop range oven, and access to the utility room and a half bath. The spacious Master En Suite offers dual vanities, custom multi-head shower with custom subway tile in-lay, and its own office/sitting area with a private entry to the sunroom. The upstairs features a spacious loft that can double as a bedroom with its own walk-in closet and private access to the balcony that is overlooking the luxurious pool. The sunroom features a sitting area with fireplace, a dining area, sliding bar window, and a bank of windows across that give a breathtaking view of
