4 Bedrooms | 3 Bathrooms | 2,921 Sqft

This solid 4-bedroom, 3-bathroom home, with a new roof added after Hurricane Ida, suffered minimal damage during the storm. The spacious kitchen, dining area, and living room are perfect for family gatherings or entertaining. A versatile game room/sunroom offers relaxation or a play area for children, while a safety room under the staircase provides added security. Included in the price are a commercial fridge, freezer, dishwasher, trash compactor, glass top stove, and wall oven. Set in a quiet, well-maintained neighborhood, the property also features a separate shed with a 1-bedroom, 1-bathroom apartment (appliances not included) beneath a protective roof. The shed has ample space for parking a boat or tackling projects. The current owners are motivated to sell due to career obligations, making this an excellent opportunity for buyers. Make sure to add this property to your must-see list!
