3 Bedrooms | 2 Bathrooms | 4,765 Sqft

If you're looking for space this is it. With nearly 4,800 square feet of living area all on one level, this home offers an incredibly rare opportunity to own a sprawling layout in a peaceful, well-established neighborhood. Technically a three-bedroom, two-and-a-half-bath home, the floor plan offers a multitude of bonus rooms that could easily accommodate additional bedrooms, offices, game rooms, or anything else you can dream up. There's a formal dining room, formal living room, party room, recreation room; the possibilities are endless. Set back on a spacious lot beneath two mature oak trees, the stately front entrance features four large white columns, giving the home a classic Southern presence. Inside, you'll find a large kitchen with a central island and cooktop, tons of counter space, and a layout that just keeps going. Outside, you'll find an attached carport, a detached storage shed, and an additional covered area perfect for transforming into an outdoor kitchen or entertaining space. Whether you're looking for a home to customize, or simply need a ton of square footage in a quiet setting, this one is worth a look. Come explore the layout and imagine all the ways you could make it your own.
