**5 Bedrooms | 4 Bathrooms | 3,887 Sqft**

Welcome to your dream home in the prestigious Greystone Golf & Country Club Subdivision, where luxury meets comfort on a stunning 0.51-acre lot overlooking the #4 tee box with breathtaking golf and lake views. This meticulously updated 3,887 square foot residence boasts 5 spacious bedrooms, 4 of them downstairs with 1 bedroom upstairs with a full bathroom. The upstairs area provides private living if desired either for a guest or teenagers space. The upstairs living area has an adjacent bonus room/game room for entertainment as well. This gem has 4.5 beautifully appointed bathrooms. This home provides ample space for family and guests. The exterior showcases a new black architectural shingle roof and freshly painted brick, complemented by extensive mature landscaping and outdoor lighting set on timers for both front and backyards. Step outside to your custom Gunite pool featuring two serene waterfalls, a tanning ledge with bubblers, and an outdoor kitchen equipped with a granite countertop, gas grill, and farmhouse sink all under a custom copper awning. Inside, enjoy the elegance of dirty top solid wood pine floors, extensive crown molding, and plantation shutters throughout. The chef's kitchen is a culinary masterpiece with built-in stainless steel appliances, an oversized island with granite slab countertops, and a cozy
