Like no other this one-of-a-kind 4BR/3.5BA home with media room and office is a true masterpiece nestled in the highly sought-after Greystone Golf & Country Club. Overlooking multiple lakes and a pristine fairway, this home offers breathtaking views and a lifestyle of luxury. Designed with a contemporary industrial flair, every inch of this home exudes magazine-worthy quality and craftsmanship. Standout features include 100+ year old reclaimed cypress doors, custom Timberline cabinetry in the kitchen, stainless steel cabinets in the bathrooms, and a serene Japanese soaking tub in the master suite. The heart of pine ceiling in the kitchen adds warmth and character, blending beautifully with the home's modern edge. Each room offers unique, curated details that must be experienced in person to be truly appreciated. This is not just a home it's a work of art. *Structure square footage nor lot dimensions warranted by Realtor.
