This beautiful home in Zachary Louisiana on 10 acres is a dream waiting to become reality. Nestled amongst a tree lined driveway it is your own private oasis with city living within 5 miles. The home has begun its restoration process with a new roof, new sheetrock in most areas and other finishes. Unfortunately the current owner has too many projects going and has to part with this one. This home has five large bedrooms and 3 baths. With a little work you can have instant equity in this beauty or for an avid business owner, you will be able to gain quite a return with a bit of capital. This beauty is located in flood zone x. Come see what country living at its finest could be.
