Welcome to this custom-designed, 3-bedroom home in the coveted Jackson Place Subdivision in the Central Community. Meticulously crafted with attention to every detail, this exquisite estate features beautiful mature shade trees. Wrought iron awnings add an elegant touch to the exterior. Step inside to discover a spacious layout with an abundance of natural light. The cozy gas-log fireplace adds warmth, while double French doors lead to an expansive outdoor entertainment area. The kitchen features granite countertops with a raised breakfast bar, custom white cabinetry with glass panels, and stainless steel appliances. Cooking is a joy with a 5-burner gas cooktop, built-in pantry, and a garbage compactor. A charming bay window with views of the large backyard frames the breakfast nook. The formal dining room features a tray ceiling, an oversized window with custom plantation shutters, wood-like ceramic flooring, and elegant crown molding. The master suite features a tray ceiling and ample windows for natural sunlight. The master bath offers custom wood-stained cabinetry, double vanities, a custom granite step-in soaking tub, and a large custom-tiled walk-in shower. The oversized walk-in closet provides plenty of storage space. The two additional bedrooms are spacious with generous closet storage. An air-conditioned office,
