Welcome Home!! This charming, 4-bedroom home sits on a 3/4 acre lot in the wonderful Central School district. As you arrive, you will admire the gallery across the front, then enter into the long foyer with stairwell. Next, step into the dining room (or use as an office) and fall in love with the spacious family room with soaring beamed ceilings and wood burning fireplace as the centerpiece. The renovated kitchen features a large sit-down dining area, loads of cabinets, granite counter tops, and dual wall ovens, offering both style and functionality. Downstairs you will find the primary bedroom with ensuite bath and 2 additional bedrooms. Upstairs there is another huge bedroom or perfect for a bonus room. Welcome additional family members or guests by utilizing the separate apartment behind home. This area has a spacious living room/bedroom, kitchen, and full bath. Or use this area for a home office, home business, recreation or hobby room. Lots of covered and paved parking areas. No HOA. Schedule your showing today!
