\$599,000

6 Bedrooms | 7 Bathrooms | 6,624 Sqft

This captivating two-story home boasts a generous 6,624 sq ft floor plan. With a welcoming kitchen that showcases custom built cabinets, granite countertops, stainless steel appliances, double wall ovens, bar sink and a stunning island with copper hood vent. The adjoining dining room offers one of the three, log gas burning fireplaces along with lots of storage for formal dinnerware or other collectables. With an additional formal dining room, this home welcomes guest. The grand living room offers a spacious layout, beautiful wood floors, 9 ft ceilings, fireplace with built-in cabinetry that also opens to a generous sized entertainment space that features the third fireplace. The home features six bedrooms, each having a full bathroom and large spacious closets. For the book lover, the home offers a library which would make a lovely office. There is an abundance of space for your heart's desire. The exterior grounds offer tranquility with 1.79 acres of beautiful shade trees, tons of space for gardening, inground pool, covered patio and two storage sheds. Call to schedule a private showing of this great opportunity today!
