\$1,300,000

4 Bedrooms | 5 Bathrooms | 3,850 Sqft

Just a stunning home located right on the water leading to the Intracoastal Waterway. This stately home has 4 bedrooms and 5 1/2 baths with over 3850 square feet of living area. The open floor plan offers a great family area for entertaining. The breakfast area, just off of the family room, allows for a spectacular view of the pool. Cypress archways accentuate the luxury look of the home. The kitchen is equipped with 2 islands for added space when cooking. Custom built cabinets and custom appliances are added features. The home sits on two lots approximately 1.3 acres. With hurricane season approaching, the home has roll down shutters that offer an added sense of security. This home also has a Cummins Commercial generator. The interior design of the home reflects the overall elegance of the home. The master suite is spacious with a custom designed bath area with a garden tub. The garage is also heated and cooled. I will have an additional list of all amenities in MLS, All showings require 24 hour notice. Buyer to verify all measurements within.
