4 Bedrooms | 3 Bathrooms | 3,144 Sqft

Step into this stunning two-story, 4 bedroom, 3.5 bath home located in the highly desirable Cypress Alley Subdivision, a charming, one-street neighborhood. You are welcomed by soaring 12 & 14 ft. ceilings, rich pine floors in the den & formal dining area and walls of windows that offer lots of natural light. The gourmet-style kitchen features a commercial-grade gas stove, LOTS of cabinets, an oversized island with a prep sink, bar-top seating, extra storage, and a walk-in pantry. Just off the kitchen, the keeping room is anchored by a brick fireplace and a shiplap accent wall, with French doors that open to the patio and large backyard. The very spacious den has built-ins on both sides of the gas log fireplace and a standout feature: a professionally installed home theater system with a discreet hideaway 106" custom-designed 3D projection screen mounted in the ceiling in front of the fireplace. The large primary suite showcases a custom board and batten accent wall, views of the backyard and patio, and French doors that open to the Ensuite bath. The spa-like bathroom includes a Jacuzzi tub, separate vanities, a large corner shower, a spacious wrap-around walk-in closet, and lots of storage. Also on the main floor are a guest bedroom with a full bath and a dedicated office. Upstairs is light and bright with two bedrooms and generous closet space, a Jack-
