This is a spacious family home on acreage with a pool and shop in the heart of Zachary! The finishes here have a vintage, high quality charm. The wood paneling and cabinetry are exquisite and in immaculate shape. A formal living room, office and large den make entertaining easy. The large den overlooks a covered patio and the pool. Adjacent to the covered patio is a screened porch as well. Oh, the parties that can be had here!!!! The primary suite has an en-suite bath and a large dressing area. 2 spare bedrooms have access to a full bathroom with the cleanest vintage tile I've ever seen. The third bath is located near the entertaining space making it perfect for pool party goers. This truly is a great find in our #1 Zachary Community Schools. Walk to Zachary High, the grocery store and the library from this convenient location.
