Looking for a home that checks all the boxes? This custom beauty sits on a generous corner lot with a circle driveway out front, a two-car garage, and a dedicated boat/RV port plenty of space for everything you need. Inside, the open-concept layout was designed with everyday comfort and entertaining in mind. The kitchen is a true standout, featuring a huge island, double ovens, a gas cooktop, commercial fridge and a bold copper vent hood that adds just the right touch of character. The living area boasts soaring ceilings, wood floors, and tons of natural light. The private downstairs suite includes a spacious bathroom with double vanities, a jetted tub, and separate shower. Upstairs, you'll find three additional bedrooms with easy access to a full bath plenty of flexibility for guests, hobbies, or a home office setup. And then there's the backyard your own personal retreat. Fire up the grill in the fully equipped outdoor kitchen, relax under the large covered patio with fans and lighting, and cool off in the sparkling in-ground pool. Whether it's a casual cookout, poolside hangout, or gathering with friends, this space is ready for it all. Don't miss your chance to own a home where function, comfort, and outdoor living come together seamlessly.
