3 Bedrooms | 2 Bathrooms | 1,794 Sqft

Rustic Elegance Meets Modern Comfort on 10.5 Acres! Perched on top of a hill with a long gravel driveway, this custom 3-bedroom, 2-bath home offers peace, privacy, and plenty of space to spread out. Built with solid cypress beams and a durable stick frame wrapped in sleek black metal, the home features stained grey concrete floors throughout, blending country charm with contemporary style. Enjoy the open-concept kitchen complete with a farmhouse sink, deep cabinetry, oversized island, glass top stove, stainless steel appliances, and a walk-in pantry. The mudroom includes a walk-in laundry area with a utility sink for added convenience. The spacious master suite boasts a farmhouse door, granite double vanity with undermount sinks, soaking tub, separate shower, walk-in closet with built-in shelves, and luxurious details throughout. Outdoors, you'll find a large front and back porch with wood accents, large covered back porch with a outdoor kitchen great for entertaining. Relax by the stocked pond with its own fishing deck or take aim down the dedicated shooting lane. A 20x30 shop with built-in shelving. A rare blend of rural luxury and everyday practicality this hilltop retreat is ready to welcome you home.
