3 Bedrooms | 2 Bathrooms | 1,935 Sqft

Enjoy peaceful golf course living in this inviting 3-bedroom, 2-bath home set upon the 8th hole of Beaver Creek. Thoughtfully designed with charm and functionality in mind, the home features arched openings, crown molding, and a smart split floor plan with an upstairs bonus room for added flexibility. The main living area is filled with natural light from the wall of windows that frame views of the backyard and golf course. Wood floors, built-ins, and a cozy fireplace make the space feel comfortable and connected. The kitchen is both beautiful and practical, offering granite countertops, a gas cooktop, stainless steel appliances, a center island with seating, and a walk-in pantry. Just off the kitchen, the dining area is surrounded by windows an ideal spot to enjoy your morning coffee or a quiet evening meal. The private primary suite is tucked away and features a double tray ceiling and a spacious ensuite bath with separate vanities, a jetted tub, a walk-in shower, and ample closet space. On the other side of the home, two additional bedrooms and a full bath offer space for family or guests. Upstairs, the bonus room gives you even more room to spread out whether for work, play, or a quiet retreat. Additional highlights include a built-in desk area, generous laundry room with storage, and a whole-home generator that adds extra comfort and peace of mind. Step
