5 Bedrooms | 3 Bathrooms | 3,243 Sqft

This spacious 3,243 square foot home in the desirable Centre Ideal Subdivision offers 5 bedrooms and 3.5 bathrooms, perfectly designed for both entertaining and comfortable family living. With a well-maintained brick exterior and an extended driveway that easily accommodates numerous guests, this home makes a striking first impression. Step through the foyer and you'll find access to a cozy den, a formal dining area, and a generously sized living room complete with a fireplace and built-in bookshelves. The kitchen is both functional and inviting, featuring an abundance of wooden cabinetry, a refrigerator, microwave, wall oven, double sink, and dishwasher, and it flows seamlessly into the breakfast area, which includes a charming built-in bench. Each of the oversized bedrooms offers flexibility for various furniture arrangements and decor styles, with two rooms featuring their own private bathrooms for added convenience. Outside, an elongated patio overlooks the expansive backyard, providing a peaceful retreat or the perfect spot for entertaining guests. Nestled in a calm, quiet neighborhood, this home truly combines comfort, space, and versatility ideal for large families or those who love to host.
