Discover luxury and character in this exceptional 4-bedroom, 3-bath home on a spacious corner lot in the coveted Audubon Square. A rare blend of industrial flair and cozy charm, this thoughtfully designed residence features a flowing, open layout, high-end finishes, and custom details throughout. The chef's kitchen is a true standout, boasting bespoke cabinetry and hardware, sleek stone countertops, a nugget ice maker, and clever hidden storage. Adjacent, the dining area is anchored by a plush velvet banquette and a striking concrete fireplace with a reclaimed Cypress beam mantle perfect for intimate dinners or entertaining guests. The expansive primary suite offers a tranquil retreat with a spa-inspired bathroom, complete with a soaking tub, separate luxe shower, and a walk-in closet featuring custom built-ins. Step outside to your private oasis: a raised lap pool with wood decking, outdoor kitchen, fireplace, and a side courtyard ideal for all your entertaining needs. Additional highlights include a welcoming front porch, a rear-entry two car garage with built-in tool benches, and meticulous attention to every detail. Move-in ready and masterfully designed for both comfort and entertaining, this one-of-a-kind home is your opportunity to own a true gem in the City of St. George.
