\$300,000

This beautiful 33.1-acre property in Jackson offers a rare opportunity to own a large tract of land with excellent road frontage. Located in a peaceful rural setting, the land features a mix of open areas and mature trees, making it ideal for a private homesite, recreational use, farming, or future development. The property's wide road access provides flexibility for entry points and adds to its investment potential. Whether you're looking to build your dream home, start a homestead, or invest in land for the future, this tract offers space, privacy, and convenience. Located just minutes from the heart of Jackson, this property combines the best of country living with easy access to local amenities.
