Discover the perfect blend of style and comfort in this stunning 4-bedroom, 2-bath home, thoughtfully designed for both living and entertaining. The open-concept floor plan invites natural light and seamless flow, anchored by a cozy gas fireplace with a striking shiplap accent wall that adds charm to the living space. A desirable split floorplan ensures privacy, with the master suite serving as a true retreat, featuring a large walk-in closet, double vanities, a luxurious soaking tub, and a separate glass-enclosed shower. The three guest rooms are thoughtfully placed near the laundry area for added convenience. Step outside to a large, fully fenced backyard that overlooks a serene water lot. The covered porch is perfect for alfresco dining and relaxation. With an extra-wide driveway, there's ample parking for family and guests. This smart home is equipped with advanced technology, including a security system for peace of mind. Elegant, functional, and perfectly appointed, this home is an entertainer's dream!
