3 Bedrooms | 3 Bathrooms | 1,756 Sqft

This beautiful home in the country is less than 5 miles from the growing Juban Crossing area. The 3-bed 3-bath home sits on .89 acres and has been recently renovated with new fixtures and stone countertops throughout. The kitchen features a butcher block island, stainless steel appliances, subway tile backsplash and a farmhouse sink. There is a large formal dining room and a flex space that can be used as an office or homeschool room. It can be easily converted to a 4th bedroom. The primary bedroom has French doors that open directly to the patio and inground pool. The primary en suite bath features a free-standing soaking tub, a separate shower, and a double sink vanity. Two detached storage buildings remain. The roof is approximately 3 years old.
