4 Bedrooms | 3 Bathrooms | 2,622 Sqft

Rare find in Ethel! Almost 5 acres with a 4 bedroom, 3 full bath home plus an inground pool!! This one is a must see! Upon entering the home you will be invited into the large living room that features a charming brick fireplace. The spacious kitchen with a lot of storage is adjacent to the living area. It features painted cabinets, lot of counter space, s/s appliances and overlooks the breakfast area that is a great size and has a wall of windows for lots of natural light. Towards the front of the home you will find a formal den and dining area off the foyer that could be used as an office or kids playroom. The primary bedroom is nestled towards the back of the home off one side of the living area. It is large, has an en suite bathroom with dual sink vanity, walk-in closet and custom shower. The 3 additional bedrooms are on the opposite side of the home. One of the additional bedrooms has an en suite bathroom with tub/shower combo. The other 2 rooms are nice size and share a full bathroom in the hall area. The laundry room is conveniently located by the 3 bedrooms. The back porch is screened in and offers views of the fenced pool area. The inground liner pool is est 20 x 40. This great home also features a home generator and 36x40 barn, a 26x40 concrete slab that is ready for a shop. This home is not in a flood zone. Call to schedule an appt today.
