Welcome home to this meticulously updated home! If space and beauty are what you're looking for ~ this home is the winner! Every square inch of this home has been well thought out and the updates executed perfectly! You will fall in love the second you enter the large living room with vaulted ceilings and dark wood beams that accentuate the space wonderfully. Next you'll be blown away by the beautifully remodeled kitchen with quartz countertops. So fresh and inviting! This home is perfect for large families, multi-generational living or for people working from home with all 5 bedrooms on one floor. One bedroom is isolated away from the others and has it's own full bath located close by for convenience. All bedrooms are spacious with room for queen or king sized furniture. Need space outside too? This home has you covered as it sits on about 1/3 of an acre! Outside you will also find a 3 car garage, plenty of storage built in to the garage and a covered back patio. You must see this home to appreciate all of the hard work and updating that this beautiful home has received!
