Charming home nestled in St. Amant on three quarters of an acre. Tucked away enough to give country vibes but still not too far off the beaten path. This home features an open concept living area with a split floor plan and 0 carpet. The gas stove makes this perfect for hosting the hurricane parties. Enjoy the scenery from your screened in porch where you can avoid your mosquito neighbors or keep up with the goings-on of the neighborhood from your front porch. There is also a 20' x 11' workshop with electricity ran.
