Welcome home! As you step inside, you'll be greeted with soaring ceilings, crown molding, and tons of natural light. The spacious living room features a stunning wall of windows overlooking the backyard and a fireplace that serves as the focal point of the room. Just off the living room, the formal dining room offers flexible space and is currently used as a sitting/play area for the kids. The kitchen features granite countertops, a gas range, center island, and painted white cabinets. It opens seamlessly to a sunny breakfast area with a large arched window and plantation shutters. The large primary suite is a true retreat with beautiful wood flooring, an extra sitting area. The ensuite bathroom features a custom-tiled shower, oversized soaking tub, double vanities, and a generous walk-in closet. Coming in from the garage, you'll find a custom-built mudroom with plenty of storage. Outside, the home sits on a spacious corner lot with mature landscaping that offers privacy, a fully fenced backyard, and a covered patio. This thoughtfully designed triple split floor plan provides privacy and space for everyone. You will love walking in the subdivision and going to the pond to feed the ducks!
