Welcome to luxury living in the heart of Baton Rouge! Located in the gated enclave of Bluebonnet Cove, this custom-designed home by Hoffpaur Studio offers exceptional craftsmanship and elegant design at every turn. Boasting 4 spacious bedrooms, a dedicated office, and 3.5 luxurious bathrooms, this home combines functionality with refined style. Step inside to an open-concept layout anchored by an unbelievable chef's kitchen, featuring quartzite countertops, custom cabinetry, all Viking appliances, freezer drawers in the island, an ice maker, and more. Throughout the home, you'll find custom 12-inch planks of 185-year-old reclaimed heart of pine flooring, bringing timeless character to the space. The primary suite is a private retreat, overlooking a serene courtyard with a fountain. The spa-like primary bathroom features heated Calcutta marble floors, marble countertops, a walk-in STEAM shower, and a luxurious soaking tub. The custom primary closet is outfitted with a center island and a built-in makeup vanity for added convenience. Take the elevator to the second floor where two oversized bedrooms share a stylish Jack-and-Jill bathroom. A separate staircase leads to a third garage bay, this was previously used as an access to an upstairs office. The courtyard is an entertainer's dream, complete with a brick fireplace, roll-down
