\$400,000

4 Bedrooms | 3 Bathrooms | 2,180 Sqft

Custom-built 4BR/3BA home on over half an acre, surrounded by mature shade trees and full of charm. The professionally landscaped yard, circular driveway, 2-car garage, and additional parking pad offers impressive curb appeal and convenience. Inside, enjoy soaring 12 and 10 ceilings, fresh neutral paint, and abundant natural light flowing in from the large windows. The triple-split layout includes a formal dining room, updated kitchen with stainless appliances, electric smooth cooktop, walk-in pantry, and built-in breakfast banquette overlooking the private, fenced backyard. A versatile flex space at the front of the home is perfect for an office, sitting room, craft room, home gym, or playroom. The spacious primary suite features direct access to the enclosed sunroom while the primary bath glass block shower, large walk-in closet, water closet, and linen storage allows for a spa like area to retreat to and unwind. Relax in the sunroom or entertain on the rear deck surrounded by nature. This timeless home offers the perfect setting to make lasting memories.
