2 Bedrooms | 1 Bathroom | 772 Sqft

This Southern shot gun style (yes that is what they called them back in the day) home offers the perfect blend of classic appeal and modern convenience. Recently renovated from being semi-gutted out to it's new redesigned from a one bedroom to a (2) bedroom home. It's an ideal starter home or a smart alternative to renting, especially for students. The two bedrooms and single bath are well-appointed, and the large kitchen provides ample space with lot of cabinet space and open concept for cooking and entertaining. This property represents a fantastic opportunity for affordable homeownership with character and style.
