Welcome to Kaden Creek one of Walker's most sought-after neighborhoods. Situated on nearly 1.5 acres, this 4-bedroom, 2.5-bath home feels practically brand new and has been meticulously maintained. Step inside to soaring ceilings and an open floorplan where cypress beams and posts define the dining and living areas. The living room features a cypress mantle that serves as a stunning focal point for your entertainment center. The gourmet kitchen is a showstopper with a large island, farmhouse sink, pantry, and plenty of storage perfect for both everyday meals and hosting guests. The spacious primary suite is a true retreat with a gorgeous en suite bathroom featuring dual vanities, a soaking tub, and a separate shower. Additional bedrooms are well-sized and share updated baths. Outside, enjoy a long driveway leading to the rear garage with extra storage space, plus a huge covered patio ideal for crawfish boils, barbecues, or simply relaxing while taking in the views of your expansive lot.
