Looking for space, charm, and tons of potential? This 3-bedroom, 2-bath home sits on a full acre and is clean, solid, and ready for its next chapter. This one has been well cared for freshly cleaned inside and out making it the perfect blank slate for someone who wants to make it their own. Step inside to find a warm and inviting living room with vaulted ceilings, exposed wood beams, and a floor-to-ceiling brick fireplace that adds a rustic touch. The kitchen features 2 windows, a cozy sitting area and all stainless appliances including a gas cooktop. Lots of windows throughout the house bring in tons of natural light, giving every room a bright and open feel. All three bedrooms are comfortably sized, and the layout just makes sense easy to live in as-is or a great candidate for a modern refresh. Whether you're looking to settle in right away or slowly make updates over time, there's a lot of flexibility here. Outside, the possibilities really open up. The large 1-acre lot gives you all the room you could want space for a garden, a pool, extra vehicles, or even future expansion. There's also a large workshop with a roll-up door, perfect for projects, storage, or tinkering with tools and toys. Plus, there's plenty of parking space for cars, boats, RVs whatever you need. If you're looking for a clean, solid home with character, space to spread out, and endless
